

## **Consultation on a proposed reduction in the published admission number (PAN) for Kilburn Grange School with effect from September 2021**

### **Background**

The current Published Admission Number (PAN) for Kilburn Grange School is 60. This means that the number of children admitted into the school in reception each year is a maximum of 60 children.

Under the terms of the School's funding Agreement with the Secretary of State for Education, the overall capacity of the School (maximum number on roll) has been set at a final roll of 420 made up of 60 children in each year from Reception to Year 6.

There is limited outside space for the pupils and the school is in an area of surplus primary places and as a result the Trustees of Bellevue Place Education Trust (BPET) would like to reduce the Published Admission Number from 60 to 30 pupil places in Reception.

Although the Regulations and Code of Practice relating to school admissions no longer require an admissions authority to consult when maintaining or increasing a school's PAN, there remains a requirement to consult when the proposal is to reduce a PAN. Bellevue Place Education Trust, as the admissions authority, is seeking comments on the proposed change.

### **Specific Proposal**

**The Trustees of Kilburn Grange School proposes to reduce the published admission number of the school from 60 to 30 with effect from September 2021.**

This means that the number of places available for children in Reception in 2019 and all subsequent Reception cohorts – will be 30. For children who already have a place at the school in other year groups there will be no change but the admission number for all other years will reduce to 30.

This is the only proposed change to the admission criteria, all other criteria, including oversubscription, will remain the same.

Factors that have been considered by the Local Advisory Board, in consultation with BPET, in deciding to consult on this proposal include:

The school is in a former FE College with limited outdoor play space. The school have explored the option of adding space, but have ruled any options due to the exorbitant cost. The school also works hard in finding alternative space nearby – like the local park.

The school is not in an area where there is a demand for school places and the Local Authority have confirmed that there is a surplus of primary school places in the area. Through this reduction in need and that the school is close to three other established primary schools places have not been filled over the first three admission years. With 200 pupils on roll, this is made up of 30 in Year 4, 31 in Year 3, 50 in Year 2, 52 in Year 1 and 39 in reception.

Our pupil numbers are stable as a one form entry school and the proposal to reduce the PAN has been approved by the BPET Board. We firmly believe that a reduced PAN is in the best interests of for the provision of education for our current and future pupils.

### **Who is consulted?**

This consultation is for the attention of:

- a) parents of children between the ages of two and eleven years old in the surrounding area;
- b) other persons in the area who have an interest in the proposed arrangements;
- c) all other admission authorities within the local area;
- d) the local authority; and
- e) adjoining neighbouring local authorities.

### **How to Respond**

This consultation will run from 2 December 2019 to 31 January 2020 and you are invited to submit comments in writing about the proposal above to Tracey Blandford at the BPET: Tracey Blandford, Marketing Manager, Bellevue Place Education Trust c/o Kilburn Grange School, 52-58 Arcola Street, LONDON E8 2DJ, by midday on 31 January 2020 or by email to [info@BPET.co.uk](mailto:info@BPET.co.uk). Please mark the subject "Kilburn Grange PAN Consultation". Following the consultation period BPET will consider all comments received and determine admission arrangements for September 2021 by 28 February 2020.
